

Blessed Sacrament School

Dear BSS Families,

Due to the school's temporary closure and in an attempt to provide continuity in the learning process, a distant learning curriculum will be implemented starting on Thursday, March 19, 2020. Blessed Sacrament School will be using the Google Classroom platform as the main source for communication for all distance learning assignments.

Weekly emails will be sent by Friday afternoon (3pm) to communicate the learning expectations for the upcoming week. Please submit your child's completed work to me electronically either through Google Classroom or via email. I will also be communicating with parents on a regular basis via Remind and email. Every reasonable effort will be made to respond to your emails in a timely manner. In addition, I will be offering the following virtual "office hours" every school day to answer and address your questions and/or concerns as immediately as possible: Monday through Friday from 9am - 11am for a Live Chat session on Google Meet.

The directions to join the Live Chat through Google Meet and Goggle Classroom are provided below. Any additional questions during non-office hours can be e-mailed or sent via Remind. Student's email addresses and log-ins (needed for Google Classroom and Meet) will be provided individually.

Please be sure to take extra care of yourself, and your family. Get extra rest, eat healthy balanced meals, and keep calm because God is with us at all times. Together we will act justly, love tenderly, and walk humbly with God. Micah 6:8

"The Lord keeps watch over you as you come and go, both now and forever." PSALM 121:8

God bless,

Mrs. Jeske xjeske@bsscatholic.org

Google Meet directions:

- 1.) Log on (using your Google account) to Google email at www.gmail.com
- 2.) Click on Google Apps (It's on the top right corner, it has 9 dots, it looks like a grid or a waffle)
- 3.) Click on the Meet application. (It's a green comment bubble, with a camera)
- 4.) Click on the green bar labeled, **Join or start meeting**
- 5.) It will prompt you to enter a meeting code or nickname. Please type in: bssjeske
- 6.) Then once you see the video of yourself, click on the green button labeled, **Join now** to connect and talk to me.

Google Classroom directions:

- 1.) Log on (using your Google account) to Google email at www.gmail.com
- 2.) Click on Google Apps (It's on the top right corner, it has 9 dots, it looks like a grid or a waffle)
- 3.) Click on the Classroom application. (It's yellow and green and looks like a chalkboard with a white silhouette of a teacher)
- 4.) Click on the subject course for each assignment
